Chapter 1 by Joshua Rieth (Bobj2008)

As I fly over the high hills, the beautiful butterfly's and bee's hovering over the vibrant flowers, I contemplate over what has happen over the past few months. Lately, my ability's have been acting... peculiar. I'll be in my bedroom playing on my gaming system when I suddenly I find myself in the ocean (thankfully next to the coast). It wasn't always this hard, my powers were easy to control. It was this one event. THE event that changed my life forever.
